## 5. POLITICAL ACTIVITY

A list of Associate Members' declared political activities and interests is maintained and published on the SSAC's register of interests. The Secretariat will normally endeavour to obtain an update of these interests on a quarterly basis, but candidates should make careful note that it is incumbent upon SSAC associate members to keep the Secretariat informed of any changes in terms of role, political or other activities as early as possible.

All applicants for appointment to the Scottish Science Advisory Council should complete the question below.

This question is asked for two reasons:

- Involvement in political activities enables individuals to gain and to demonstrate skills and experiences they may not otherwise have obtained; and
- It enables the monitoring of political activities of candidates for a public appointment in so far as such activities are already in the public domain. Neither activity nor affiliation is a criterion for appointment to the SSAC.

Please indicate which of the following activities, if any, you have undertaken **during the past five years** by ticking the appropriate box and by providing details of your involvement. You should name the party or body for which you have been active. If you have been or are an Independent or have sought or obtained office as a representative of a particular interest group, you should state this. You should tick all relevant categories and exercise any doubt in favour of disclosure.
